Ex-Ante - Creating in the Research tab

Last Modified on 13/02/2024 3:34 pm GMT

Research can be created directly from the Pathways homepage, through the Research tab and within a Contact record.

To create an Ex-ante scenario in the Research tab, click into the tab from the Homepage:

All existing research will be listed. Click **New** to create new research:

If using a Central Investment Proposition, we will need to choose whether to use a segment or conduct Whole of Market research:

Please note - If the whole of market button cannot be enabled, you do not have the permissions to overwrite the segment/s assigned to you in the CIP. Your Administrator can assign this for you. Article **Pathways Administrator - Assigning Whole of Market permissions** explains how this is applied to your account.
